18th December 2020

Dear Families

There are a few things I would like to draw your attention to as we close for the Christmas break:

COVID IMPORTANT INFORMATION

Whilst it is everyone's hope that we all have a safe and healthy Christmas, there is obviously still the possibility that a member of our school community may test positive for COVID within a time window that means close contacts in school need to self-isolate. In the event that this happens, we will get information out to affected families as soon as we are able via text and email. Please continue to keep us informed of any positive test results using our dedicated email address so that we can respond as promptly as possible.

tests@priorsmill.org.uk

CHRISTMAS

Teachers uploaded a class Christmas video to SeeSaw yesterday afternoon ... we hope you enjoy a little bit of Christmas singing and a message from the children. We have all missed being able to welcome you into school to be part of our Christmas activities and are very much looking forward to a time when we can!

If you follow us on Facebook you will have seen the fabulous singing on Monday which was great fun! Staff will add nativity messages onto the Early Years page and the KS1/KS2 page this afternoon so do have a look and enjoy.

THANK YOU

On behalf of all the staff I would like to thank you all for your kind messages, cards, gifts and comments. This has been a very unusual and challenging term and I must commend the staff to you who have worked their socks off to make school feel as happy and 'normal' as possible. We have very much appreciated your ongoing support; thank you all.

Have a lovely Christmas and we will see you on January 4th 2021!

Kind regards,
Mrs Malbon
Headteacher
