The smallest of all seeds becomes the largest of the garden plants

29th April 2022

Dear Parents and Carers,

As part of our work to develop the children's awareness of our global neighbours, we will be learning about Fair Trade on **Friday 13th May** and are asking for your support.

The children will be learning what fair trade means, how it works, the importance of fair-trade and exploring fair-trade products. To help us with this, please send in clean, empty food packaging displaying the fair-trade logo and, if possible, photographs of your child with fair-trade products they find in our supermarkets (photographs can be sent to your child's seesaw account).

You can find out more about Fair Trade and how you can support the foundation by following this link <https://www.fairtrade.org.uk/>.

Kind regards

Mrs R Rowbotham
Assistant Head Teacher Early Years
