Dear Parents/Carers

We are writing to ask for your support with helping the School Council to provide some items for our friends in KS1.

As part of School Council, we were given the task of finding out some of the things that pupils in KS1 would like to have on the playground to play with. School are going to be providing the children with some of the equipment that we have requested, but we would like your support with other items.

If you have any cars, dolls or dressing up clothes (age 4-5, 5-6, 7-8 ) that are still in good condition and you no longer use at home, we would greatly appreciate if they could be sent into school. If we end up with more items than we need, we will donate any extra to a local charity. These items can be sent into school with your child during the week commencing 28th November 2022.

Thank you for your support
