*The smallest of all seeds becomes the largest of the garden plants*

## **Newsletter Friday 8<sup>th</sup> March**

I hope everyone has had a good week, children looked amazing today in their non uniform, lots of book inspired characters, lounge wear and a few football strips – even if some were Black and White! The newsletter will hopefully return in the normal format next week. More pictures to come next week but I was very impressed with Charlie this morning!

### **Careers Week**

Thank you to everyone who contributed to a successful Careers Week. The week culminated in a visit from Local MP for Stockton North Alex Cunningham. All visitors to school were impressed by the manners and challenging questions the children asked.

### **National Science Week**

This year the theme is 'TIME' pupils will engage in a number of science themed lessons throughout the week.

### **Parent Consultations**

Next week and the following week is Parent Consultation week if anybody has missed the opportunity to make an appointment then please call the office.

Nursery appointments will take place after Easter in the Summer Term.
