20 February 2025

Good morning

Following on from Elizabeths Uniform Specialists earlier communication, we would like to introduce ourselves:

Tots to Teams have been established for over 25 years with Primary schools being our specialist customer group, we offer an online ordering service as well as having a dedicated uniform and teamwear supply shop on the outskirts of Newcastle. Our website is user friendly and makes the ordering process simple, please visit us at totstoteams.com

We are delighted to be able to work with Elizabeths during this transition and going forward with your school. We can promise to provide an efficient and reliable service to supply your schoolwear needs whilst maintaining a competitive pricing structure for your parents and school alike. Currently we are working very hard in ensuring your school is added to our portal and your logos are to hand ready to produce to order, and where appropriate hold stocks should we be required by your school to do so, to ensure fulfilment of those orders all year but, especially during the busier ordering season. We will soon have a sample set which will be delivered to your school by Paul from Elizabeths in the week after the half term break.

As previously outlined in Lisa's letter we offer a free delivery service for orders of £65.00 and above with a small charge of £4.95 under that amount as well as offering a free monthly delivery to school. Our shop is located in Kingston Park, Newcastle – just off the A1 near Newcastle Airport and so is easily accessible should your parents be in the area.

Please be assured we are working hard so that your parents and school have an ordering facility to rely upon. However, if you have any questions please drop us an email or if you would like to chat to us please do let us know and we can arrange a suitable time.

We are looking forward to being your supplier and developing our business relationship going forward.

Yours sincerely

S Thirlwell
